3. The following employee is not included within the terms of this Agreement: Supervisor of Buildings and Grounds.

4. The Association agrees to furnish the Board with a list of officers and appropriate signed authorizations for the Association to represent said members.

B. The Board's Status

1. The Association recognizes the Board as the public agency charged by the legislature, under the mandate of the Constitution, with the management in the School District of the Borough of Tenafly of a thorough and efficient system of free public schools.

2. The Board hereby retains and reserves unto itself without limitations, other than those expressly set forth by law and by the specifications of this Agreement, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of New Jersey and of the United States.

3. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board and its administrative staff, the adoption of policies, directives, rules, and regulations and practices in furtherance thereof, and the use of judgement and discretion in connection therewith, shall be limited only by the terms and provisions of this Agreement and the Constitution and laws of the State of New Jersey and the Constitution and laws of the United States.

ARTICLE II NEGOTIATION PROCEDURE

The Board and the Association agree to meet at reasonable times and negotiate in good faith with respect to terms and conditions of employment, in accordance with the provisions of the N.J. ARTICLE IV ASSOCIATION RIGHTS

A. Association Rights and Privileges

1. All Employees who are employed on a twelve (12) month basis shall be awarded each school year fifteen (15) days as sick leave credit. Such sick leave credit shall be accumulated with no maximum limit. Sick leave is hereby defined in accordance with applicable provisions of N.J.S.A. 18A:30-1 et seq.

2. All Employees who are absent due to personal disability as a result of illness or injury shall be entitled to full pay for each day of such absence up to the number of days accumulated. When such absence exceeds five (5) consecutive work days, the Employee shall file with the Superintendent's designee, the Supervisor of Buildings and Grounds, through the Principal's office, not later than five (5) days after returning to work, a doctor's certificate which attests to the Employee's personal illness or injury during the period of absence and the doctor's opinion that the Employee is capable of resuming his/her duties and responsibilities.

3. An Employee starting employment after the beginning of the school year shall receive a pro rata amount of sick leave credit based upon the length of the employment contract.

4. No Employee shall lose or add to his or her previously accumulated days of sick leave by reason of having been granted leave of absence by the Board of Education. Accumulated sick leave credit is automatically dropped when an employee fails to return from such leave of absence, and also when the employee's services are terminated for any reason.

5. If an Employee uses sick leave benefits for reasons other than those for which sick leave is intended, such Employee shall be subject to dismissal.

6. Employees shall be given a written accounting of accumulated sick leave days as soon as practical after June 30 of each school year, but no later than September 30. Such accounting shall be deemed to be accurate unless the Employee challenges its accuracy in writing within ten (10) days after the date of its issuance.

2. If the Employee chooses to decline the services of any licensed practitioner designated by the Board, he/she may select any licensed practitioner, approved by the Board, in which case the cost of such physical or health examination shall be borne by the Employee.

ARTICLE VI
TEMPORARY AND EXTENDED LEAVES OF ABSENCE

A. Anticipated Disability Leave (Including Maternity Leave)

1. Any Employee who anticipates undergoing a state of disability such as, but not limited to, surgery, hospital confinement, medical treatment, pregnancy, etc., may apply for a leave of absence based upon such anticipated disability in accordance with provisions hereinafter set forth, in which instance such leave of absence shall be chargeable to the sick leave, if any, of said Employee. If the accumulated sick leave is or has been exhausted, the leave of absence shall be without pay. All Employees covered by this Agreement anticipating such a state of disability shall notify the Superintendent's designee, the Supervisor of Buildings and Grounds, through the Principal's office, of the condition expected to result in disability as soon as the condition which may result in disability is known, and shall submit to the Superintendent a certificate from his/her physician verifying the condition expected to result in a disability and the physician's prognosis as to the anticipated duration of such disability. If requesting a leave of absence under this Article, the Employee shall submit a written request specifying the date on which he/she wishes to commence said leave and the date on which he/she wishes to return to employment following recovery from said disability.

2. An Employee who desires to continue in the performance of his/her duties during a period expected to lead to a state of disability shall be permitted to do so provided said Employee produces a statement from his/her physician stating that said Employee is physically capable of continuing to perform his/her duties and further stating up to what date, in the opinion of said physician, the Employee is capable of performing said duties.

3. In no event shall the Board be obligated to permit an Employee anticipating a state of disability to continue in the performance of his/her duties where the performance of said Employee had substantially declined from that performance demonstrated by said Employee at the time immediately prior to the time when notification was given or should have been given of the state of anticipated disability. The Board may require any Employee desiring to continue in the performance of his/her duties during the period preceding an anticipated disability to submit to the Board, upon the request of the Board made not more than once per month, a certificate from his/her physician certifying that said Employee is able satisfactorily to continue to perform his/her duties.

4. The Employee requesting a leave under the provision of this Section shall specify in writing the date on which he/she wishes to commence said leave and the date on which he/she wishes to return to employment following recovery from said disability. Such requests shall be consistent with the foregoing provisions.

5. The Board shall have the right to require any Employee who has been on disability leave and who desires to return to his or her duties by a fixed date following recovery from disability to produce a certificate from his/her physician stating that he/she is capable of resuming his/her duties, which shall be confirmed by the school medical inspector.

6. Whenever, in the opinion of the Board, the dates of the commencement of an anticipated disability leave and/or the dates for the resumption of duties would substantially interfere with the administration of the school, the requested dates may be changed by the Board if, in the opinion of the school medical inspector, such change is not medically contra-indicated.

7. An Employee who has undergone hospital confinement shall be expected to resume his/her duties within fifteen (15) days of the date of discharge from the hospital; provided, however, that such resumption of duties is not medically contra-indicated; and provided, further, that said Employee submit a certificate from his/her physician certifying that said Employee is able satisfactorily to resume the performance of his/her duties.

8. Where a disability leave has been approved, the commencement or termination dates thereof may be further extended or reduced for medical reasons under application by the Employee to the Board accompanied by a certificate from the Employee's physician as to the advisability of such extension or reduction. Such extensions or reductions shall be granted by the Board for additional reasonable periods of time provided, however, that the Board may alter the requested dates upon a finding that such extension or reduction substantially interferes with the administration of the school and provided that such change by the Board is not medically contra-indicated. All extensions of such leaves shall in any event be subject to the provisions of N.J.S.A. 18A:30-1 et seq. and specifically N.J.S.A. 18A:30-7.

B. Military Leave

Within five (5) school days after returning to work, the Employee shall file with the Superintendent a physician's certificate or sufficient explanation showing that the absence was for said reason. Unsubstantiated absences shall result in full deduction of pay.

ARTICLE XV
GRIEVANCE PROCEDURE

1. A grievance is a claim by an Employee or the Association (the "Aggrieved Person") based upon the interpretation, application or violation of this Agreement, Policies or administrative decisions affecting the terms and conditions of employment of an Employee or a group of Employees.

2. Aggrieved Person and Party in Interest

"Aggrieved Person" is the Employee or the Association claiming a Grievance.

"Party in Interest" is an Aggrieved Person and any other person who might be required to take action or against whom action might be taken in order to resolve a Grievance.

3. Time Limits

The number of days indicated on each level shall be considered as a maximum. The time limits specified may, by mutual agreement, be enlarged or reduced.

The failure of an Aggrieved Person to proceed to the next level within the specified time limits shall be deemed to be an acceptance of the decision rendered at the level last resorted to and shall constitute a waiver of any further proceedings on the basis of the Grievance in question.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, resolution of Grievance which may from time to time arise affecting Employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

Time Within Which to File Grievance

An Aggrieved Employee shall institute action under the provisions hereof within thirty (30) calendar days of the occurrence complained of or within thirty (30) calendar days after the Employee would reasonably be expected to know of its occurrence. Failure to act within said thirty (30) day period shall be deemed to constitute an abandonment of the Grievance.

D. Levels of Procedure

1. Level I - Supervisor of Buildings and Grounds

An Employee with a grievance shall first discuss it with the Supervisor of Buildings and Grounds with the objective of resolving the matter informally. An Employee shall have the right to have an Association representative present at any stage of the Grievance procedure. The Supervisor of Buildings and Grounds shall communicate his decision to the Aggrieved Person within five (5) work days next following said oral discussion. The Aggrieved Person and the Supervisor of Buildings and Grounds shall, at the conclusion of such oral discussion, execute a form acknowledging such discussion. If the Supervisor of Buildings and Grounds fails to communicate his decision within said five (5) work day period, the relief sought shall be deemed denied and the Aggrieved Person may proceed to Level II of the Grievance Procedure. In the case of any Grievance filed by a Maintenance Employee, such Grievance shall then proceed to Level III of the Grievance Procedure.

2. Level II - Building Principal

If the relief sought in Level I is denied, the Aggrieved Person may, within five (5) work days following the denial, file his/her Grievance in writing with the Principal of the building involved setting forth the specific allegations of fact which gave rise to the Grievance, the specific provision of the Agreement alleged to have been violated, the date as of which the event or

acts which gave rise to the Grievance first occurred and the relief sought. If the appeal is not timely filed in writing with the Principal, the decision at Level I shall be final and the matter closed. If the appeal is timely filed with the Principal, then the Principal, in consultation with the School Business Administrator, shall communicate his decision in writing to the Aggrieved Person within five (5) work days next following the filing of the written Grievance. If the Principal fails to communicate a decision in writing within the time prescribed, the relief sought shall be deemed denied and the Aggrieved Person may proceed to the next Level of the Grievance Procedure.

3. Level III - Superintendent of Schools

If the Aggrieved Person is not satisfied with the disposition of his/her Grievance at Level II, the Aggrieved Person may, within five (5) work days after the decision at Level II, appeal the decision at Level II in writing to the Superintendent setting forth the specific allegations of fact which gave rise to the Grievance, the specific provision of the Agreement alleged to have been violated, the date as of which the event or acts which gave rise to the Grievance first occurred and the relief sought and respects in which the Aggrieved Person disagrees with the decision at Level II. If the appeal is not timely filed in writing with the Superintendent, the decision at Level II shall be final and the matter closed. If the appeal is timely filed with the Superintendent, then within five (5) work days after the appeal has been filed with the Superintendent, the matter shall be orally discussed between the Superintendent or designee and the Aggrieved Person. The Aggrieved Person and the Superintendent or designee shall, at the conclusion of such oral discussion, execute a form acknowledging such discussion. The Superintendent or designee shall communicate a decision in writing to the Aggrieved Person within ten (10) work days after the conclusion of said oral discussion. If the Superintendent or designee fails to communicate a decision in writing within the time prescribed, the appeal shall be deemed denied and the Aggrieved Person may proceed to the next Level of the Grievance Procedure.

4. Level IV - Board of Education

If the Aggrieved Person is not satisfied with the disposition of the Grievance at Level III, the Aggrieved Person may, within five (5) work days after the decision at Level III, file an appeal in writing with the Board setting forth the respects in which the Aggrieved Person disagrees with the decision of the Superintendent and the action requested to be taken by the Board. If the Aggrieved Person fails to timely file the written appeal with the Board, the decision at Level III shall be final and the matter closed. If the Aggrieved Person files the written appeal with the Board within the time limit provided, the matter shall be orally discussed by and between the Board, or its designee, the Association and the affected Employee within twenty (20) work days after the appeal has been filed with the Board; and the Board, or its designee, shall communicate its decision in writing to the Association within ten (10) work days after the conclusion of said oral discussion. If the Board or its designee fails to communicate its decision in writing within the time prescribed, the appeal shall be deemed denied and the Association may proceed to the next level of the Grievance Procedure.

5. Level V - (Arbitration Level)

If any Grievance is not resolved at Level IV, the Association may, within ten (10) work days after the decision of the Board at Level IV, serve written notice on the Board of its desire to submit the Grievance to arbitration as hereinafter provided. If timely notice is not served upon the Board, the decision at Level IV shall be final and the matter closed.

6. Arbitration Procedurea

a. In the event that the Grievance is to be submitted to arbitration before an arbitrator, the Association and the Board shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator, the Association or the Board shall, within ten (10) school days after the request to submit the Grievance to arbitration, request a list of arbitrators to be submitted by the Public Employment Relations Commission. The Board and the Association shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

b. The arbitrator selected shall confer with the representative of the Board and the Association and hold a hearing promptly and shall issue his decision not later than twenty (20) calendar days from the date of the close of the hearing, or from the date final statements and proofs, including briefs and legal memoranda, are submitted to the arbitrator. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The authority of the arbitrator is limited to the interpretation of, the application of, or the compliance with, the provisions of this Agreement, and the arbitrator shall have no authority to in any way alter, modify, substitute, change, add to or delete from any of the terms of this Agreement, and the arbitrator shall, in interpreting, applying, or making a determination as to compliance with the provisions of this Agreement, be bound by, and decide in accordance with, all applicable New Jersey and Federal Statutes, the Constitutions of the State of New Jersey and of the United States, and all applicable decisions of the Commissioner of Education, the State Board of Education, the Public Employment Relations Commission, the Courts of the State of New Jersey and the Federal Courts having jurisdiction over matters arising within the State of New Jersey.

The decision of the arbitrator shall be submitted to the Board and the Association and, with regard to the express terms of this written Agreement, shall be final and binding on the parties, and with regard to all other issues shall be advisory only.

c. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.

E. Rights of Employees to Representation

An Aggrieved Person may at Levels I, II, III, IV, or V of the Grievance Procedure, be accompanied or represented by one (1) person of his/her own choosing. This person may be a designated representative of the Association. When an Aggrieved Person is not represented by the Association, a representative of the Association shall have the right to be present and to state its view on all Levels of the Grievance Procedure.

F. Miscellaneous

1. If a Grievance affects a group or class of Employees, the Association may, within thirty (30) calendar days of the occurrence complained of or within thirty (30) days after the Employees would reasonably be expected to know of its occurrence, first orally discuss it at Level III with the Superintendent. Failure to act within said thirty (30) calendar day period shall be deemed to constitute an abandonment of the Grievance. The Superintendent shall communicate his decision to the Association within ten (10) work days next following said oral discussion. If the Superintendent fails to communicate his decision within said ten (10) work days, the relief sought shall be deemed denied and the Association may proceed to Level IV and then, if necessary, to Level V of the Grievance Procedure. The Association may process such a Grievance through such Levels of the Grievance Procedure even though one or more members of a group or class of affected Employees does not wish to do so.

2. Written decisions rendered at Levels I, II, III, IV and V of the Grievance Procedure shall be transmitted promptly to all Parties in Interest and to the Association and shall, where any of the relief sought has been denied, set forth the reasons therefor.

3. If a Party in Interest other than the Aggrieved Person is an Employee who may be affected by the disposition of the Grievance, he/she shall be deemed an Aggrieved Person and shall be bound by the decision.

4. Forms for filing Grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be in the forms annexed hereto as Exhibits and shall be given appropriate distribution so as to facilitate operation of the Grievance Procedure.

5. The meetings under all Levels of the Grievance Procedure shall not be conducted in public and shall include only the Parties in Interest and their representative.

ARTICLE XVI SALARIES

A. Progression Along the Pattern of Increase

1. The Board expressly reserves the right to withhold, for inefficiency or other just cause, all or part of a Salary Increase.

2. In the event that the Board exercises its right to withhold for inefficiency or other good cause any Salary Increase or portion thereof, the Board does hereby agree to employ the following procedures:

a. The Principal, in consultation with the Supervisor of Buildings and Grounds and Assistant Superintendent/Board Secretary, shall forward any recommendation to withhold an Employee's Salary Increase or any portion thereof to the Superintendent no later than April 15 of the school year preceding that in which such action would take effect. The Principal, in consultation with the Supervisor of Buildings and Grounds and the Assistant Superintendent/Board Secretary shall give to the Employee against whom the recommendation shall be made written notice of the alleged cause or causes for the recommendation.

b. Once a recommendation is forwarded to an Employee and the Superintendent, the Employee may within ten (10) work days request in writing an opportunity to meet with the Superintendent or designee. In the event such a meeting is requested, the Superintendent shall take no action on the recommendation until said meeting occurs.

c. Whenever the Superintendent recommends that the Board withhold a Salary Increase or portion thereof, the Employee to be so deprived shall be given written notice of such recommendation.

d. If, following such recommendation by the Superintendent, such Employee desires to pursue the matter further, arrangements shall be made to afford said Employee reasonable opportunity to appear before the Board and to be accompanied by a representative of his/her own choosing. In order to have such an opportunity, such Employee must, within ten (10) work days after receipt of written notice of the Superintendent's recommendation, request in writing such a meeting with the Board. The meeting between such Employee and the Board shall not constitute a plenary hearing.

e. The Board shall be given a reasonable opportunity, following said meeting, to deliberate. If the resultant action of the Board is to withhold a Salary Increase, the Board shall, within ten (10) work days after said meeting, give such written notice of such action, together with the reasons therefore to the Employee concerned.

B. The salaries of Employees for 1985-86 shall be set forth in Schedule "A", and for 1986-87 in Schedule "B" attached hereto.

A. Purpose of Fee

If a custodial or maintenance employee (hereinafter "employee") does not become a member of the Association during any membership year (i.e., from July 1 to the following June 30) which is covered in whole or in part by this Agreement, said Employee will be required to pay a representation fee to the Association for that membership year to offset the costs of services rendered by the Association as majority representative.

B. Amount of Fee

Prior to the beginning of each membership year, the Association will notify the Board in writing of the aggregate amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of said aggregate amount.

C. Deduction and Transmission of Fee

The Board agrees to deduct from the salary of any Employee who is not a member of the Association for the current membership year the full amount of the representation fee set forth in Section B above and promptly will transmit the amount so deducted to the Association.

The Board agrees to deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each Employee during the remainder of the membership year in question. The deductions will begin sixty (60) days after the Employee begins his or her employment in a bargaining unit position.

D. Termination of Employment

If any Employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said Employee during the membership year in question and promptly forward same to the Association.

E. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

ARTICLE XXI
